Oakwood moves closer to Sunday alcohol sales

OAKWOOD - The City of Oakwood moved a step closer to Sunday alcohol sales Monday night.

The city council approved first reading of an amendment to the city code to allow for Sunday package sales. Final action is expected at a called council meeting next Monday.

Council also held first reading on the annexation of 31.66 acres in Tanner's Creek Business Park for industrial development.

Monday night's meeting was the final regular council meeting for longtime councilman Gary Anderson. Anderson, who chose not to run for re-election this year, was recognized for his 16 years on the council.
