## **Oakwood approves traffic management plan**

**Stan Brown**

OAKWOOD - The Oakwood City Council signed off on a Neighborhood Traffic Management Program Monday night.

It calls for a comprehensive plan that addresses traffic problems in certain neighborhoods.

City Manager Stan Brown says the results would be analyzed after six months to see if the goals are achieved.

### **ADULT LEARNING CENTER**

A Community Development Block Grant has led to a partnership between the City of Oakwood and Lanier Technical College.

The plan calls for locating an Adult Learning Center in Oakwood.

Brown says the center will help with education in the community, particularly people who are working on English as a second language and those who are working on their GED.
