### **Bid approved for Oakwood streetscaping**

**OAKWOOD** – Oakwood is a step closer to starting work on Phase One of its streetscape project.

The low bid of \$127,400 dollars was submitted by Johnson Landscaping.

The city council Monday night also okayed an annexation request from Patricia Moore involving just over an acre of land... despite objections from Hall County.

“The way the objection was stated it was in reference to the fact that there are two parcels that sit on an island surrounded by City of Oakwood. We would be proposing to annex one of these properties, and leave one of the remaining parcels. They (the county) felt that was further isolating that parcel,” Oakwood Planning Director Larry Sparks said.
